The Baltimore Chapter has been actively promoting the Sixth Annual Convention which will be held in that city from July 25 through July 27. Several of those men who have assisted in preparing for a convention in previous years, realize the hard work involved in making a successful convention. We can help the few committee men by giving them all the support we can by arranging to be present in Baltimore and passing the word concerning this convention to all buddies who were former members of the 106th

This annual reunion is the high point of the Association's year. Here, we have a chance to get together and discuss the work our organization has done during the year and what plans could be formulated in guiding the officers in advancing the principles of the Association for the following year. This is YOUR privilege and opportunity to make sure we attend this convention. Write your buddy now and tell him you would like to see him at the convention in Baltimore.

Your Association is dedicated to establishing a permanent organization to further the common bond existing between all men who served with the 106th Infantry Division and to perpetuate the memory of those buddies who gave their lives for our country by establishing a Memorial Fund for the benefit of their descendents.

All in all, lets not let the Convention Committee or the rest of our buddies down. Get in there and ACT - DEMONSTRATE - PARTICIPATE.

As The Editor Sees It

Arvo O. Paananen

I wish everyone of you the most blessed and prosperous New Year! And, I'll take this opportunity to thank those thoughtful buddies who sent me all those beautiful Christmas Cards.

I apologize for the late Oct-Nov. Cub. It was partly my fault but the holiday rush didn't help it along any, I'm sure.

To my surprise, yet I was very happy to learn that so many men noticed and read the last issue of the CUB. This I know, because I received more mail after that issue than after any other issue in the past year and a half. Of course, a lot of the letters pertained to inquiries on the Battle Participation Credits. I was so glad to hear from these men that I decided to publish a limited number of these LETTERS FROM CUB READERS. If you should have any authentic information relative to these awards and would solve some of the questions involved in these letters, don't hesitate to write to the men who want to know.

Your Membership Dues - Please do not mail your checks or money orders to the editorial office. Mail them directly to your Adjutant, Robert E. Kelly, 2034 National Bank Bldg., Detroit 26, Michigan. I have received at least twenty five membership renewals and it has involved an extra mailing and expense to the Association. The Adjutant will forward me the news for the CUB that accompanies your membership dues.

Where are you 106th'ers? I was somewhat shocked that I didn't receive a one single entry to the contest 'Lets Get Acquainted' which was introduced on the back cover of the Oct-Nov. CUB. It shouldn't be that difficult. Everyone of the profiles are very active Association members. This contest is still open until the next issue of the Cub. I want to hear from all of you. Send in the names you know. You may know more than the other fellow.

SOUND OFF !!

After you have read this issue, you can help us to make future issues more nearly what you would like. Tell us about the articles you liked and those you didn't care for. This is Your magazine. Sound off!

VETS ADVISED HOW TO OBTAIN VICTORY MEDALS

The defense department said that veterans of World War II who have not received their victory medals or other awards may obtain them by writing to the personnel headquarters of the military service from which they were honorably discharged.

Veterans by the hundreds have written inquiries about their medals after learning that the army has several million medals stored in Philadelphia awaiting their rightful owners. Veterans should list in their requests their full names, address, serial number, period of service, the medals they think they are entitled to, and the authority, who made the award.

Army and air force veterans should write to the adjutant general, United States army, Washington 25, D. C.

Ex-POWs Urged To File Claims

The War Claims Commission states that all ex-prisoners of World War II who have not yet filed a claim for benefits under the War Claims Act of 1948, as amended, should do so immediately. It was pointed out by the Commission that while Public Law 16, 82nd Congress, of last April extended the terminal date for filing claims with the Commission to 31 March, 1952, the Commission hopes to have all American ex-POW claims settled by the end of this year.

This, of course, cannot be accomplished unless all claims in this category are filed in the immediate future. The Chairman of the Commission, Daniel F. Cleary, expressed his opinion that in addition to some living ex-POWs a number of survivors of the prisoners who are eligible for the benefits have

not yet filed claims. Widows, children, and parents of the deceased POWs, in that order, are eligible for benefits under the War Claims Act.

The benefits available to American POWs or their survivors under present law are \$1 for each day the POW was interned by the enemy and was not provided with the amount and quality of food required under the Geneva Convention of 1929 relating to the treatment of prisoners of war. Claims forms may be obtained directly from the War Claims Commission, Washington 25, D. C. or through veterans organizations, State Directors of Veterans Affairs, and the American Red Cross.

A TRUE STORY

On January 5, 1952, at the Community Methodist Church in Winnemucca, Nevada, where former Chaplain Robert A. Lundy of the 423rd Inf. Regt., is the Pastor, heard the vows of the bride and groom at a wedding ceremony.

After the ceremony, and after the ceremonial kissing of the bride, the groom turned to Rev. Lundy and said, 'Where have I seen you before - in the service?' To which Rev. Lundy replied: 'Perhaps so. I was a Chaplain with the 106th Infantry Division.' 'That's it!' replied the groom. 'In Fort Jackson, South Carolina. - I was a member of Hq. & Hq. Co., 1st Bn., 423rd Infantry Regiment. - Remember Colonel Caver?' 'You bet I do', answered Rev. Lundy. 'I saw him this past summer at Camp Irwin, California, where I was chaplain with the Nevada Nation Guard.' 'Well, well, I remember driving you into Columbia (South Carolina) one evening, said the groom.'

The groom's name is Richard J. Klinkhamer. His pretty bride said, 'Dick's on the police force in Boise, Idaho now. If you, Rev. Lundy, ever get a traffic ticket while there, look him up.'

The groom was one of the many eighteen-year olds that went to make up the original 106th Infantry Division. He was on maneuvers in Tennessee with Rev. Lundy but later transferred out into the air cadets. Rev. Lundy also, transferred out into the 71st Infantry Division and later overseas.

Letters From CUB Readers

Dear Editor,

You continue to do a good job with the CUB. The October-November issue was enjoyed as usual.

The list of battle participation credits, etc., on pages 10 & 11 is sure to be helpful to our members. As to the Central Europe credit, however, the list is incomplete in that it does not include either DHQ, Hq. Co. and Band, or Hq. & Hq. Btry. Div. Arty.

I have had a careful search made of the orders originally awarding this credit, and of all orders issued through 1951 which might amend the originals. The two units mentioned are still credited with this participation and it is extremely unlikely that further amendments will be made.

Since an important sergeant of our officer and enlisted personnel are represented, I would suggest that the list be amended in a future issue of the CUB.

It may be of interest to know why some units of the Division are entitled to Central Europe and some are not. The Rhine was the western boundary of the Central Europe Combat Zone. Those which happened to be east of the river during the prescribed period (22 March to 11 May) are entitled to the credit; those to the west are not. Since we were several hundred miles away from actual combat at the time, the credit is not particularly heroic.

Very truly yours,

D. A. Stroh

Dear Editor,

In the Oct-Nov. issue of the CUB that I recently received, there are listed on pages 10 and 11 the various awards made to the Division.

I was a member of Hq. Co. 424th Regt., from the time the Division arrived at Cp. Atterbury until it left Europe to return to the States.

I am interested in obtaining more specific information on the Belgian Fourragere (1940) that was awarded the 424th.

According to my understanding of above award, a unit must be cited twice for the Belgian Croix de Guerre. This, I take it, is covered by the citations in the order of the day.

However, since the award was made only recently, I would like to know to whom I could write to get some sort of official acknowledgement for my 201 file in my reserve unit.

Would appreciate if you could help me on this matter.

Very truly yours,

Robert M. Shaver

Dear Editor,

In your list of Battle Participation Credits and Meritorious Unit Commendations, you forgot all about 'Sheriff' Mowlds and his M. P.'s.

As a member of the 106th Military Police Platoon from the later part of the training period at Ft. Jackson, S. Carolina to Karlsruhe, Germany, my discharge papers show four Battle Credits, namely, Northern France (GO 33 WD 45), Ardennes, Central Europe, and Rhineland (GO 40 WD 45), and I have a copy of an extract from GO 27 Hq. 106th Inf. Div. dated 26 Feb. 45 which shows the Award of Meritorious Service Unit Plaque to the 106th Military Police Platoon during period 15 Dec. 44 to 12 Feb. 45.

Yours truly,

MEMORIAM

W. ADIN MARSHALL, former Executive Officer of the 81st Engineer (C) Battalion, 106th Infantry Division, and Battalion Commander of same during the time that Colonel Thomas Riggs was absent as a prisoner of war, was critically injured at the Blue River Tunnel last April 10 and died early the next morning. He was superintendent of the Hoosier Pass bore of the Blue River Project and was operating an electric train in the tunnel when it jumped the track and crushed him between the train and the side of the tunnel. The tunnel engineer who was also on the train said that a piece of airline pipe had become dislodged from the top of the tunnel falling on the tracks and causing the derailment.

Mr. Marshall was rushed over dangerous and snow-covered roads to Fairplay and from there by ambulance to Colorado Springs.

A native of Oklahoma, he received his elementary education there and entered Mines in 1928. He attended two years and then worked at the Cresson Mine, Cripple Creek, for five years when he returned to school, graduating with the class of 1938.

Returning to Cripple Creek, he was employed by the Carlton interests until 1942 when he entered the service in World War II. He earned promotion in rank from Lieutenant to Lieutenant Colonel in the Army Engineers. He was in the thick of the Battle of the Bulge for which he received the presidential unit citation and the Bronze Star.

Upon his discharge in 1946 he again returned to Cripple Creek and from then until the spring of 1950 he served as superintendent of the Elkton, Rose Nichols and Vindicator mines. He resigned to become superintendent of the Blue River Project for Douglas Jardine, Contractor.

At Mines he was a member of the A.T.O. Blue Key, Scabbard and Blade and Theta Tau fraternities. At commencement exercises he received the Brunton award for meritorious work in mining engineering.

He is survived by his wife, to whom he was married in February, 1931, and two children, Faith Adine 11 years of age, and Adin, 6. Mrs. Marshall and the children have returned to Victor to reside.

Chaplain's Column

Rev. Edward
T. Boyle

'Every tree therefore that doth not yield good fruit, shall be cut, sown and cast into the fire.' (Matt. 3:10)

Christ does not expect us merely to 'be good'. He makes it very plain that each of us is supposed to 'do good'. Many feel that because they do no harm; they are well on the road to heaven. Much more is expected than that. What has been your influence for good? In your personal circle, you should be an influence for good, whether you exert it in business relations, labor unions, schools, home or social life.

We have had the finest of living and happiness here in America. You men have given years of your life, sweated, suffered and given your blood; you have seen your buddies give their all, to preserve this 'American Way of Life'. Are you standing by now and watching it disintegrate? You must not; you cannot.

There are now about 120 TV Stations. Eventually, there may be 3000. Will this powerful force on American Life be a power for good or evil? Your influence and that of thousands of others like you can make it a power for good. Forces, determined forces - inspired by diabolical fury, are conspiring to destroy the moral fabric of our nation - see it go the way of the old Roman Empire. Use your influence and inspire others to insist that the power of TV be for good, entertainment and education that will improve this nation; not destroy it. Exert your influence, check and criticize, choose program that will be for good.

Be determined that you will bear fruit in what sphere you can influence the union, the school, the social life, even the home. No longer be just a peg in a round hole.

Memorial Reunions

December 16th, 1951

The Seventh Anniversary of the start of the Battle of the Bulge was commemorated by veterans of the 106th Infantry Division in several cities this year, despite the bad winter weather and storms which hit most sections of the country at this time.

BALTIMORE, Maryland - The Maryland Chapter had a very successful Memorial Dinner with over twenty persons attending, at Marty's Restaurant on Sunday, December 16th. After a fine chicken dinner, the Chapter President, John T. Loveless, led with the Memorial Service. The guest speaker was The Honorable Frank J. Flynn, Member of the Baltimore City Council; former State Senator and former Senior Vice-Commander of the American Legion in Maryland. Mr. Flynn's key message is worth passing on. His thoughts dwelt on the theme that things living and worth while must be grown and not just chiseled out of rock or created by hand. God has grown the earth and its beauty and not just set us here as inanimate objects. Likewise, on a present day set-up, world peace must be grown. The wars of today won't make peace, but they just pave the way for us to get together and grow long and lasting peace. Our national government must grow if it is to be the land of the free that we would have it be. We must choke out the weeds - by our votes - and take an active interest if we are to assure ourselves of a strong and healthy government. This applies also to state, city governments and to any organization that we are interested in.

PHILADELPHIA, Pennsylvania - Thirty persons attended the successful Memorial Dinner at the Officers Club of the Quartermaster Depot in Philadelphia. 15 of these men are new Philadelphia Chapter members and 7 renewed their national membership and 3 ex-members of the 106th became new members of the Association. An election of officers was held at this reunion and Alan Dunbar (422nd), Croydon Apts., 49th & Locust St., Philadelphia 39, Pa. was elected President. Among others attending were: J. Glenn Schnizlein, Charles K. Booda Jr. (591), Robert H. Caughman (Sig), Robert G. Clower (424/Cn), Everitt M. Williams (424/F-423/L-423/3 Bn Hq), William A. Miner (424/I), John I. Gallagher (81 st Eng.) William L. Moulds (MP), Michael

Pisassale (589), Clayton Rarick (424/L), Bert Kornfeld (423/F), Norman D. Southgate (590), Elmer J. Russell (424/I), and John E. Blair, Leon Goldberg and Vincent Scarpello.

MINNESOTA - The Minnesota group had a good time at the 19th Hole in St. Paul on December 16th. After their dinner and program, the Chapter elected officers for 1952. They are as follows: President, Robert Sandberg; Vice President, Phillip Gurlach; Secretary-Treasurer, Howard Schuneman; and Membership Promotion, Horace 'Jim' Hatch.

METROPOLITAN - In the photo, you'll see who all attended the Annual Memorial Dinner in New York City on December 16th. Honored guests at this dinner were Mr. and Mrs. Rooe Simpson of Indianapolis and who did so much for the Golden Lion Division prior to the 1st Convention there in 1947. S. Harry Zorn (106th Sig) 158-18 Riverside Drive W., New York 32, N. Y. forwarded us this photo of their gathering.

DETROIT - The Detroit Chapter had 96 persons at their memorial dinner on December 16th. A buffet luncheon was served this year instead of the traditional meal. The chapter was their own bar and sold liquid refreshments at greatly reduced prices. Emlyn Jones (423/E) arranged for the music and a pantomime floor show.

The ladies donated pen and pencil sets as favors. Jack Bryant donated two Esquire footmen as door prizes.

Father Edward J. Hurley (423) gave a short but very much to the point address and the group paused in silent prayer for those of us who didn't return.

The Detroit Chapter seems to have withstood the thinning out of members fairly well and under the direction of President, Larry Gabow (423/Sv) has a well rounded calendar of events planned for the coming year. Among the events, is a moonlight trip to Bob-Lo Island located at the westerly end of Lake Erie.
