WE'RE AWAITING YOU IN PITTSBURGH: IT'S CONVENTION TIME AGAIN! And to the hundreds of 106th members, their families and friends who will gather at the Hotel William Penn in Pittsburgh on July 27-29 for their 5th Annual Reunion, the 106th Infantry Division Association extends our heartiest greetings.

Your officers have spent long months in developing a program that is interesting, entertaining, instructive and progressive, packed full of ideas for a successful convention.

I would like to thank each and every member of the 106th Association, especially the men elected with me, for the cooperation rendered this past year. The Association can be assured of my time and effort to the promotion and assistance of our Association during the coming years.

In closing, I want each and every member to make a special effort to attend the 5th Annual Convention. Yes, a hearty welcome awaits you in Pittsburgh. It will be a pleasure to greet you there.

## Miss 106 Division

(Cover Photo)

'Ain't she pretty? PITTSBURGH'S most beautiful red head will reign as QUEEN OF THE CONVENTION of the 106th Infantry Division Association! The lovely radio-television model was the unanimous selection of the Pittsburgh Convention Committee and will be crowned QUEEN of the Association's 1951 Convention at the Saturday night dinner-dance.

Other models of the Queen's Court will be on hand to help the fellows fill out registration cards and also will be available as dates for the men who request them in advance.

Let's all be in Pittsburgh to meet these lovely models.

## Auxiliary

Heartfelt thanks is extended the National Auxiliary for all their worthy efforts contributed during the past year. They have surely done their 'educational, charitable and fraternal' duties well and deserve the Association's praise for its very much needed support.

Again, this year, the auxiliary will present to a paraplegic veteran a special wheel chair at the Pittsburgh Convention. Funds toward this charitable contribution have been raised through activities sponsored by the National and Chapter Auxiliaries.

A convention isn't a convention without the ladies, so we encourage more women to attend the Pittsburgh Convention this year. Auxiliary membership open to all friends of the 106th, and dues are \$2 per year for members who do not wish to receive the CUB, or \$3 including the CUB subscription.

# As The Editor Sees It

Arvo O. Paananen

MAN TO MAN - this is a friendly chat with you about your magazine which is written by Golden Lion men - about Golden Lion men - and for Golden Lion men.

After Dave Price found it necessary to give up the editorship of the CUB and I accepted the job last September, you find this my fifth attempt. It isn't easy by any means but with your cooperation it WILL be done! You have and will receive your issue of the CUB the latter part of January, March, May, July, September, and November. I would desire maintaining the twenty pages per issue if finances permit - pages packed with stories of 106th Division men who have overcome difficulties and made good after our return from the fighting front.

I stress the 'your magazine' angle because you pay for it. Almost two dollars of the dues paid by each member of the National Association goes to finance THE CUB. If you forget to pay those dues you see what happens. No dues - no money for printing and postage no magazine! So keep those dues paid up and go after more members. Then watch your magazine grow.

And again, we must not forget that your magazine needs news. We can produce a periodical but we can't invent information about Golden Lion men. So, I urge Chapters and individual members to send the editorial office news about Golden Lion men everywhere. Give us members! Give us news! And we will give you a publication you will be proud of.

I, also, personally and from the bottom of my heart, thank all those CUB readers who have inspired my interests in editing your magazine by sending me all those congratulatory and commendatory letters. I have all intentions of meeting each one of you personally at the Pittsburgh Convention.

\* \* \*

## Let's Play Ball

On your vacation in Pittsburgh during the convention days, you won't have to miss a ball game!

The Boston Braves will be in town! Boston will play Pittsburgh on July 27th, 28th, and a double-header on Sunday, July 29th!

See you at the ball game!

## Memorials

J. Glenn Schnizlein, Memorials Chairman, expects to have considerable information about children who may be eligible for grants from the Association's Memorial Fund, at this year's Pittsburgh Convention.

Letters have been sent to all known Nexts-of-Kin and replies are expected to be in shortly so that a complete report may be available to all Association members at the Convention.

From the very detailed and accurate report by Mr. Schnizlein in the February-March 1951 issue of the CUB, you'll note that all-out efforts are being made to establish a permanent policy for scholarship grants for children of deceased members of the 106th Infantry Division.

It is necessary that each of us renew our efforts to locate ALL of the next of kin of ALL the men killed in action with our division. To complete records the following data is required:

1. Name of man killed in action.
2. Name & Address of next of kin and relationship.
3. Unit of 106th Division and serial number.
4. Marital Status
5. Children's names and dates of birth.
6. Date of Death.
7. Place and circumstances surrounding death.

Please forward all information about our battle casualties to Mr. J. Glenn Schnizlein, 727 15th Ave., S.E. Minneapolis 14, Minn.

## Memorial Fund

Sincerest thanks go to the many members of the Association who have sent in ten dollars Sustaining Memberships this past year.

Sustaining membership carries no extra rights or privileges, but is simply a means whereby those who want to help a little more can give a bit extra to help keep the CUB, the Association and the Memorial Fund active and strong. Next year, we hope there'll be many more sustaining members.

Let us not forget to pay tribute to the memory of our late comrades.

## Commendation

The fiscal year of the 106th Infantry Division Association is at its close very shortly and a new slate of officers and national directors will be elected at the 5th Annual Reunion in Pittsburgh on July 28th.

We, as Association members cannot just allow the 1950-51 officers and board of directors be dismissed without a kind word for their extreme efforts volunteered during the past year.

'We realize that your duty has been a great responsibility, and a thankless job at times, but you are most certainly deserving of this commendation of all the members of our Division Association for a most excellent job accomplished during the year 1950-51'.

# CONVENTION HEADLINES

## THE GOLDEN TRIANGLE ENTERTAINS -

On Friday, July 27th, at 9 p.m., the Pittsburgh Convention Committee will provide a buffet supper and entertainment at the Sheraton Hotel.

A warm-up party for those arriving before the hilarious weekend begins, this get-together will be followed by community singing and general heated discussions reminiscing 'The Bulge'. Try and be there because I'm sure we'll really enjoy ourselves!

## TWO EXCITING TOURS -

The tours scheduled for Friday afternoon will include one for the ladies through the famous H. J. Heinz Company (57 varieties), which is one of the most complete available anywhere and includes a meal of Heinz products at its finish. And, for the men, a most interesting afternoon tour will be through the most modern of hot strip mills, the Jones & Laughlin mill on 2nd Avenue. The men of the 106th Division Association can be thankful for being able to make this tour because it is not open to the public for security reasons.

TOMMY CARLYN & HIS ORCHESTRA of 12 men and a vocalist will entertain us for dancing pleasure after the dinner at the Hotel William Penn on Saturday night. Nothing but the BEST from Pittsburgh's BEST!

'ROSE MARIE' under the stars at Pitt Stadium is showing nightly from July 23rd, except Sunday, and tickets are available from .75 to \$3.60. The opera is a drawing rave in Pittsburgh.

## CONVENTION HOSTS WELCOME YOU TO PITTSBURGH

The Officers and Board of Directors of the Association thank the following men in the Pittsburgh Chapter who have so wonderfully cooperated with them by planning this 5th Annual Reunion so systematically and efficiently. Special thanks is offered by the Editor of the CUB for the excellent cooperation given him by the Pittsburgh Chapter.

## LAST CALL

This issue of the CUB is the last going to members in arrears. Unless you've renewed your membership for 1951-52 by sending \$3 to the adjutant, we're unable to finance extra copies for non-members.

We're trying to give you a good magazine. If dues are paid up - we can do it. So help yourself to a better CUB by helping us produce it for you.

# WHAT THEY ARE DOING NOW

CAPT. M. N. CRANK (422), G2, GHQ, FEC, APO 500, c/o PM, San Francisco, Calif., writes after receiving his Feb-Mar. issue of the CUB. He has been Personnel Coordinator for G2 Sec for the past two years. Should any of the old gang receive orders for recall to EAD and are sent to Japan, Capt Crank would like to hear from them. (Editor's note: In the above mentioned Cub, I erroneously listed Capt. Crank as a Postal Officer - My apologies!).

ROBERT HEMPEL, 3849 N. Marmora, Chicago, Ill., informs us of his happiness. Bob and his wife, Evelyn are the proud parents of a daughter, Mariene Dorothea, born April 29th. Congratulations!

RALPH G. STEED (423/AT) P.O. Box 187, Robbins, N. C., dropped the editor a very nice personal letter lately and from the letterhead I gather he's in the furniture and electrical appliance business in his hometown - namely, Steed Furniture.

MRS. BERTHA STILES (National Auxiliary President, 1949-50), 8117 S. Anthony, Chicago, Ill., just recently returned home from the hospital after several weeks of illness. She will be confined to her bed for some time to come so why don't you drop her a line? The Association members wish you a very quick recovery, Mrs. Stiles.

MAJ. WARREN H. STUTLER (423), 162 W. 54th St., New York City, N.Y., informs us of a change in address from his Ft. Knox assignment.

LAWRENCE (LARRY) WALDEN (424/H), 163 W. 155th St., Harvey, Ill. had to resign his duties as editor of the 'Chicago Chapter News' by closing with the May issue due to change in employment in the theater group and further schooling plans in New York City. A farewell party was held for Larry by the Chicago Chapter after the Chapter's monthly meeting on May 25th.

JACK H. WATTERS (423/G), 12809 Holdridge Rd., Silver Springs, Maryland, informs of a change in address. Jack is a field engineer covering the district of Columbia territory.

### FATHER BOYLE ON EXTENDED VACATION!

Sorry that Father Boyle couldn't be with us this month to write his own article for the CUB, but we association members all realize he is deserving of a vacation.

The Chicago Chapter members bid Father Boyle fond adieu when he left for New York City on May 14. From there he embarked on his long contemplated trip abroad. He sailed to Europe on the U.S.S. New Amsterdam and his journey of over two months duration will embrace France, Italy, Switzerland, up to Germany, the Rhine Region, Holland, Belgium, Luxembourg, and back to France from where he'll leave to visit England and Ireland.

We hope to see Father Boyle at the Pittsburgh Convention where we'll all anticipate the current news from his observation of Europe and its conditions. News most interesting to us will be from the areas we the Golden Lion Division covered during World War II.
