## In Memoriam

AS YOU READ this CUB, approximately 10 of your Comrades in Arms of the 106th are holding Memorial Services in Henri Chapelle Cemetery outside of Liege, Belgium.

Our thoughts go to the next of kin of those we honor today, December 16th. It is now 10 long years since that fateful day when we were overrun by the Nazi hordes. Many of our Comrades lie buried in this and other cemeteries in this vicinity and in cemeteries in America. For those of us who survived let us always remember that if it were not for these men who rest in Eternal sleep we would not be able to rest at all.

Whether we go to Church or not this week of December 16th, remember to thank God for your own life which was spared and remember those maimed ones still lying in hospitals and the kin of those who are not here. It is with humbly bowed heads that we, the 10 who returned to Belgium for these 10th Anniversary services pledge, that no matter if there is only one of our number left, we shall, in the years to come always remain silent on December 16th in memory of these fallen Comrades.

## Memorial Fund

We shouldn't have to remind anyone in this year of the 10th Anniversary of the Battle of the Bulge that a donation to the Memorial Fund is always in order. Please send your contributions while you think about it, for if you wait you may forget completely.

## Atlantic City

These are a few photos left over from Atlantic City which were sent in by Bob Pierce. Make your mouth water on these winter days!

NORMAN L. LEE, H-424, 1902 McKinley St., Anderson, Ind. — Sorry I missed the reunion at the shore. Hope to get to Detroit next year; sure had a swell time there in 1950. The Association should be proud of the officers chosen for the year, from President Loveless on down through the list to the Membership Chairman Ray Fields of H-424. I believe H-424 has had the best representation at the past eight National Reunions.
