and they had a good turnout. What a wonderful way to keep up with old friends. I am sure there are a lot of this same kind of reunions, but we never hear of them. Why not write to our Cub Editor, it would make interesting reading to your friends no matter where they are.

By now everyone has had a chance to look over the sketch of the proposed Memorial Building—why not write your comments “good or bad” to our Cub Editor.

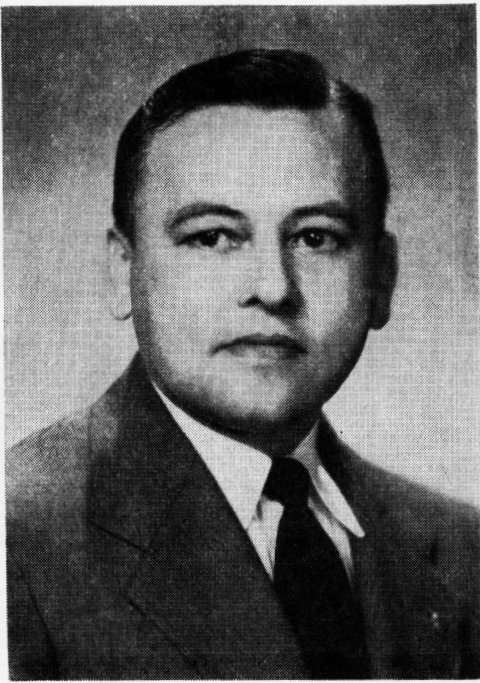

I have a suggestion from a member of the 106th. The suggestion is--a Contest. Have the members write what they think should be done with the Memorial Fund, on the basis of:

HOW CAN IT BE USED TO MAKE THE WORLD A LITTLE BETTER PLACE IN WHICH TO LIVE.

The best letter would entitle the writer to next year's dues—FREE. I am sure my fellow members on the Board of Directors will back me up on this.

In closing may I wish you all a VERY MERRY CHRISTMAS and a PROSPEROUS NEW YEAR.

DICK DE HEER

President's Message

As the year slips by we come closer to another Dec. 16th. We in New Jersey and New York will have our usual memorial dinner. Are you doing something in your area? If you haven't planned anything, why not get together with some 106'ers. Some of us have more to be thankful for than others; just being here is enough. A get-together with your Army friends to remember the ones who aren't with us any more is no sacrifice.

It is very encouraging to hear that our membership is very high for this time of the year. Now is the time to give that extra push to get us over the top.

I hope by now Austin has given away that No. 254.

Over the Labor Day week-end Marge, Ricky and I went out to Hershey, Pa. to the 106th Picnic. We had a grand time

Auxiliary

I know the members who were able to attend the 11th Reunion of the 106th Infantry Division Association thoroughly enjoyed the "Southern Hospitality" shown us by Maydean and "Jim" Wells at the General Oglethorpe Hotel in Savannah, Georgia, in July.

Do you know there are only 37 paid-up members in our Auxiliary? With such a large group of men in the Association we should be able to increase our membership. The dues per year are only \$2.00.

It would be fine if the wife of every man in the Association would join our group. We'd certainly like to have you. Just send your money to 106th Division, Box 106, Blandon, Pa.

There is just one meeting a year. The next one will be held sometime during the Association's Convention in Philadelphia in 1958. Won't you join us?

Do you have a favorite recipe that you'd like to pass on to us? Just send it to Mrs. Richard DeHeer, our Secretary, 19 Hopkins St., Hillsdale, New Jersey.

As the Thanksgiving season approaches, let us be thankful for our many blessings.

KATHRYN G. LOVELESS ("K")
President

Thank You

Your heart-warming Get Well card with all the autographs was received with deep appreciation. It was a terrific disappointment to us to miss the reunion.

After three weeks on crutches, thanks to the fine nurse I had, my injured knee is back to normal.

Another reason for the recovery was the receipt of copy of the Resolutions adopted at the Reunion. Among others, it was resolved that Doc Fridline and I recover as soon as possible. I complied and I hope Doc Fridline has too. You can't fool with these Resolution Committees, especially when chairmanned by Bob Rutt.

God willing, we will see you all in Philadelphia in 1958.

LEO T. McMAHON,
106th Divarty.

Membership Report

Jennie and I visited with the Doctor Friedlines Saturday, September 28th, and find the Doc is coming along fine. Mrs. Friedline informs me that according to reports it is possible that he will return to his practice by the first of the year. We spent some four to five hours with them and Doc seems to be enjoying television as well as getting out of the house to visit the Fair, and a couple of days each week to Akron for therapeutic treatments. He enjoys hearing from any of us and informed me that they had a very nice letter from the Bob Kellys. Mrs. Friedline informed me that they thought about attending the Savannah Reunion, but were advised against such since the doctor was coming along so well and perhaps the trip would not help toward recovery. They send their regards to all.

I would like to remind all members as they look over the roster of this issue of the Cub to see just who is missing from their locality, and give them a call or drop them a line, since they perhaps have forgotten to mail in their dues, also try to get in touch with those who were with your unit and get them to mail in their \$5.00. You may think that they are not interested, but I found that there were some six members that I picked up last year from our Unit who had dropped out for reason of just forgetting to mail their dues.

I am hopeful that our membership will show one of the greatest increases this year, and feel certain that it will if each of us put forth just a little effort.

Please send me any correct names and addresses that you may have should you like for me to contact them. R. W. Nethers, 31 Island Drive, Poland 14, Ohio.

Send dues to Austin L. Byrd, Jr., 502 Nottingham Road, Baltimore, Md.

Your Membership Chairman,

DICK NETHERS

Members Needed

We need more members! If you have a friend whose name is not listed in the Membership Roster published in this issue, drop him a note and get him to join.

Just send \$5.00 with name, address and unit to:

Austin L. Byrd, Jr., Adjutant
502 Nottingham Rd.
Baltimore 29, Md.

As of October 12, one free membership is still open to some lucky individual. Get a friend to send in his dues. He might be the one to get his \$5.00 back.

Personals

Members who were with the 106th Division in the Army of Occupation will recall that the famous 3rd Infantry Regiment was attached. It was commanded by Col. H. J. Vander Heide. He is now Major General Vander Heide, and has just been assigned to command the XXI Corps with station at Indiantown Gap Military Reservation, Pennsylvania.

Colonel William C. Baker, Chief of Staff of the Division, is now Major General Baker on duty at Eighth Army Headquarters in the Far East.

Colonel William B. Tuttle, USA, Ret., who commanded the 422nd Infantry, from its reorganization in March 1945 until the Division returned to the U. S., died at Valley Forge Hospital, Pa., on Oct. 4, 1957. He was buried at Arlington National Cemetery with military honors on October 9th. General and Mrs. McMahan represented the Association and the Auxiliary at the interment.

Charles W. L. Foreman, who recently joined the Association was Captain on Divarty Staff. He is Vice President of United Parcel Service, 331 East 38th St., N. Y. C., and lives in Pelham Manor, N. Y.

Chaplain's Message

For weeks we have been reading in our newspapers and magazines and hearing over our radios about "sputnick" and atomic missiles and man-made satellites, in existence or in process of being constructed. Scientists and laymen alike, individuals interested or merely curious have scanned the skies for a glimpse, however fleeting, of these wonders of our age. To all, or nearly all, of us, the launching of these "moons" has been an amazing feat of scientific progress; in many, fear has been aroused.

From the dawn of history down to our own day, man, despite temporary periods of seeming retrogression, has steadily advanced in knowledge of himself, our world and the universe. And with it all, the advance has been in the bad as well as in the good.

But who among us can say that the growth of knowledge, the increase in our physical powers, the accomplishments of man in every field has been by man's own strength of mind and body alone? Rather must we not say that there is a Higher Power who impels us to use that two-fold strength, if we are willing, to seek out the unknown?

If we refuse, fear may well possess us, for ignorance begets fear. If we accept, two paths open before us: one straight ahead leading to greater accomplishments for the

benefit of mankind; the other veering away towards hate and destruction. The choice is ours; what shall it be?

At this time of national Thanksgiving, especially, let us acknowledge the omnipresence and omnipotence of God, let us give thanks unto Him for His mercies and grace so abundantly showered upon us, and let us beseech Him to guide us to a fuller understanding of His will for our lives.

"The Heavens are telling the glory of God; and the firmament proclaims His handiwork. Day to day pours forth speech, and night to night declares knowledge."—Psalm 19:1-2

Memorial Report

I am very happy to inform you that Mrs. Alice L. Riley has returned the Memorial Grant form, and we are in the process of sending her a check for \$100.00 to be used for books and clothes for her daughters attending school. Her late husband was Cpl. Wm. Arthur Riley, 422nd Regiment.

Editor's Notes

Doug Coffey is awaiting your comments on proposed Belgium memorial.

Let Doug know your thoughts, whether you approve or disapprove, so that he can investigate further or gracefully drop the whole proposal.

Had a note from Frank Hallner suggesting a memorial that would remind us all of our obligation to work to keep the world free and at peace with our fellow man.

The association is now the owner of a typewriter which my wife is using for typing articles for the Cub. Our thanks to the members of the association.

May the holiday season be most joyous to you and your family.

Artillery

Members of the division artillery held their annual picnic at Hershey Park, Pa., on Sunday, Sept. 1. Present at roll call were:

Tom and Alice Dorosky
Emil and Ethel Solecki
Charlie and Daisy Walsh
Tom and Mary Fox
Earl and Mary Runyon
Frank and Theresa Maloney
Ray and Cele Taylor
Charles and Betty Lapham
John and Stella Gallagher
Clayton and Mabel Rarick
Ned and Marie Neber
President Dick and Marjorie DeHeer
Leo and Wilda McMahon
Chaplain John and Kay Loveless
Charles Oyler
Bernie and Yetta Caplan
Michael and Martha Sgrignoli

It is difficult to say who enjoyed the picnic more, the children or the adults. The children spent the day riding on the amusements in the park and visiting the zoo, while their dads talked of the good old days (?) in the 106th. The annual get-together is growing, will be held next year same place, Sunday, August 31.

1958 Convention

Your convention committee is making plans to make this convention a family affair.

General McMahon, Al Dunbar, Charles Walsh, Clayton Rarick and John Gallagher have recently met with the staff of the Bellevue-Stratford Hotel and the Phila. Convention Bureau for their assistance in organizing this year's convention.

Have you any suggestions or requests for the convention program? If so please forward to the Cub.

Convention Pictures

If you have not received your pictures by this time please contact me direct. I am terribly sorry about the delay in which the pictures were mailed, and some of your letters of inquiry ignored by the Harms Studio. However I have been assured that they have all been mailed.
