President's Message

Hats off to the Savannah reunion committee - Jim and Maydean Wells, Gus Agostini and Albert Oelschig. We thank you for a great reunion. The southern Hospitality was terrific.

The Presidency - quite a challenge. Also the opportunity to promote the ideas I have for the good of the Association.

My first order of business is to challenge the members to contact friends and get them to join. If nothing else, to write to Dick DeHeer and tell him what you are doing, or in many cases, what you are not doing anymore. This would fill up the *Cub*.

The second order of business is to remind you what an enjoyable time you will have in Morgantown next year. Laura and I and our committee plan to make it a memorable reunion, as well as a good time. We challenge you to investigate "Almost Heaven, Wild, Wonderful West Virginia". It is easy to get to Morgantown. We really have excellent roads (interstates).

By the way, for those of you who asked about moonshine, the only moonshine you will get is at night -- the kind that, as Kate Smith sings, comes over the mountain.

See you in Morgantown . . .

Sincerely,
Your President,
Ted J. Straub

by Ewell C. Black, Jr.

Like so many others, I was unaware of our Association for much too long. Also, like all of you, I have always been proud

of my association with the 106th Infantry Division. Whenever I have had the opportunity, I have told people the truth of our experiences and of the fact that we did as well or better than many organizations with more seasoned troops. Knowing what the 106th Division experienced, each of us must be aware of how graciously we were blessed by God to have had so many of our members survive The Bulge and the days, weeks, and months which followed.

WHEREAS, each and every individual has enjoyed the hospitality and friendship in all the activities at this Reunion, we desire to acknowledge the planning and efforts of all involved in promoting this Reunion. Now, therefore, be it RESOLVED that we express our gratitude to the manager and entire staff of the Ramada Downtowner.

Be it further RESOLVED that General H. Norman Schwartkoff, Commanding General of the 24th Infantry Division, and his entire staff for presenting the demonstration, transportation and our participation in all of the programs including the Memorial Service.

Be it further RESOLVED that we extend to Jim and Maydean Wells and their committee members, Gus Agostini, Albert Oelschig Jr. for their untiring efforts in planning and promoting one of the largest and most unique reunions.

Be it further RESOLVED that we commend the elected and appointed officers of the 106th Infantry Division Association for their faithful and efficient execution of their offices.

Be it further RESOLVED that these resolutions be spread upon the minutes of the 106th Infantry Division Association and published in the Cub and a copy sent to the persons cited.

Adopted this 14th day of July 1984 in Savannah, Georgia.

Reunion Committee

We of the 1984 Reunion Committee would like to thank all who attended the Savannah Reunion. To say that we were "overwhelmed by the response" would perhaps be the understatement of the year. 242 Registered and 246 attended the Banquet.

Judging from the cards and letters the Helicopter rides were thoroughly enjoyed. And our appreciation to all for your indulgence when functions were crowded. One thing to be said for 106ers, distance don't faze you, they came from California, Oregon, Texas, New York, Michigan, New York, Canada, and all points far and near.

We thank each and every one of you for the effort put forth, and wish we could have spent more time with each of you.

Our Trip South to Savannah

On Sunday, July 8, we left Morgantown and headed down I-79, I-77 and I-81, across the Tennessee Smokies to Asheville, North Carolina. On Monday morning we toured the Biltmore Mansion, which is on 25,000 acres of outstanding beauty. The Rhododendron were in full bloom and breathtaking. It is three miles from the gate of the Estate to the house. The mansion is a magnificent structure. However, I would hate to pay the heating bill. If you have not seen this place, those of you from the south, it would be an enjoyable stop on your way to Morgantown next July.

Following the tour, we went to Shelby, N.C. to visit two of Ted's suppliers. Also went to Cowpens, Kings Mountain Battlefield. If you are interested in these places, ask Ted about them. He loves to talk about the history of our country!!

Tuesday - on to beautiful Charleston, South Carolina - another business meeting and sightseeing the city.

Wednesday - on to Savannah and the great 106th reunion. Hey girls, how about Maydean - wasn't she terrific!

Sunday morning after breakfast and goodbyes, we went to church, came back to the hotel for lunch, then we said good-

bye to Savannah and headed for Fort Jackson, S.C.

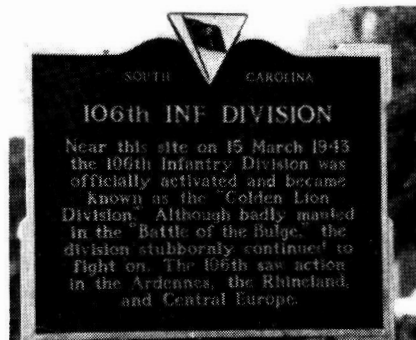

At Fort Jackson we made contact with the museum curator. He said they would appreciate receiving any 106th memorabilia for the museum. If any of you have anything you would like to donate to the museum, you may contact Ft. Jackson Museum, Ft. Jackson, S.C., 29207 5325, Attn: Clayton B. Kleckley, Fred De Mag., Phone 803/751-7355/7419. We had hoped to visit the Chapel, but it was closed. We saw the plaque dedicated to the 106th, near where they were activated in 1943. By the way, the 106th flags are displayed in the Chapel.

When we left Ft. Jackson, we made a wrong turn and drove around the post for 45 minutes before finding I-77. Very confusing.

We drove as far as Charlotte, N.C. where we spent the night. On Monday morning we decided to buy some fruit to take home. We were able to get peaches and canteloupes, however, none of the roadside stands had watermelons. All through N.C. and Virginia we kept passing the same truck loaded with melons. We joked about how we could get some off the tractor-trailer. When we reached the intersection of Route 19 and I-79, Ted said "I'm going to contact the driver on the C.B. and ask him to sell us some melons". I thought he was joking, but he wasn't. The driver stopped and asked how many we wanted. We bought three, for \$1.00 each. Then on to Morgantown, where we shared the watermelons with our neighbors and employees. They were the best melons we have had in years.

Hope to see you next year - where? In MORGANTOWN, WEST VIRGINIA.

From The Mail Bag

Dear Richard,

As we told you in Savannah, how much we enjoy the club, and we promised to write.

The Reunion Committee did a wonderful job. Nadine Wells, a charming, adorable and talented lady was a real doll with her speech at the Banquet. It is so good to see new faces as well as the ones we see each time. We did miss our dear friends from Grove, Oklahoma - Paul and Dee Roehrick, Service Co. 422nd "Sgt. Mac's" Co. he is so proud of.

We also will be looking forward to the 1985 Reunion in Morgantown, W. Va. with our dear friends, Ted and Laura Straub. Congratulations to our new president Ted Straub.

We wait with anticipation to read every word in The Cub. Thank you again for your efforts to get the Cub to us. We appreciate the work you are doing.

Best Regards,

P.S. I didn't mention my children and grandchildren - it would take up too much space.

Hello Robert,

I have been spending a lot of time at the VA Hospital for I now have pleural fibrosis of both lungs. I am doing very well and hope to get back to some of the summer meetings. Thank you very much.

Dear Members,

One of these days my schedule will coincide with your reunion and I'll attend (I did once some years ago when it was held in Augusta, GA and I was stationed at Ft. Gordon.

Like many of you I have fond memories of my days with the 106th (Especially during the operations in Europe). Like some of you, I also have memories of Korea in the Early 50's and, there may be a few who also have memories of Vietnam. So, after retiring in the summer of '71, I have many strong emotional ties with the past and especially on these celebrated holidays for the military. My feelings were truly evident when they recently put to rest the "Unknown" from Vietnam (and I remembered Korea and World War II.)

I wish everyone could share in the pride I have for the "Golden Lions", "The Tropical Lightening - 25th Division", and last but not the least the "Green Berets" of Vietnam. By God, I was and am proud of my profession, and honored to have served with the finest this country has - our military.

Just some sampling thoughts that I come up with frequently.

Sincerely,

K.B. Facey, Colonel USA Ret.

Dear Bob,

We have had a fairly good winter and are in good health, thanks to God. Now we are preparing to attend the American Ex-Prisoners of War, New England's 1st Annual Convention. (Sponsored by Massachusetts Chapter No. 1).

Ella and I are looking forward, God willing, to be with all in Savannah.

Sincerely,

Dear Dick,

I am sending you some pictures taken at the 30th Wedding Anniversary held for General Leo Thomas McMahon and Wilda Nanney McNair McMahon. This was given in their Honor by Colonel Leo T. McMahon Jr., Alan V. McNair and Mrs. Carol McNair Mowbray.

The Anniversary Celebration was held at the Harrisburg Marriott Inn April 21, 1984.

Jean and I both were surprised to receive the invitation but also were really proud to be asked to represent the 106th Infantry Division Association.

Upon arriving we met John and Stella Gallagher as well as Alan W. Jones Jr. and his wife, Lillian. This sure did relieve me having someone there that we knew.

General Leo and Wilda knew nothing about this. They were told that they were just going out for dinner. When they arrived they were taken to the Banquet Room where all the local guests were settled. All the guests from out of town were in another room next to the Banquet Room. There was one speaker elected from each group by Col. Leo Jr. to talk to Gen. Leo and Wilda over the P.A. system and they had to guess who they were talking with. This was called "This Is Your Life". I was asked to do the talking for John, Stella, Jean and I. Really had a time trying to think of what to say that would cover for all of us. General Leo and Wilda were sure surprised when our names were announced. They had been settled on the stage in King and Queen chairs. As we walked in they both met us at the edge of the stage. They had something to say about us.

After the Banquet we were all asked if we would stay over and go to church with General Leo and Wilda on Sunday which happened to be "Easter". The priest had all that were there with General Leo and Wilda to stand up. The priest said that he had been having a little trouble with General Leo wanting to be the boss. He said that he had been to Rome to see the Pope and the Pope told him that as long as he was in the Church that he was the boss. When he was outside of the Church then General Leo was the boss. All had a big laugh out of this. The priest had all the people attending the Mass recognize General Leo and Wilda.

After Church we all went back to the Marriott for breakfast. After breakfast we were asked to go up to Leo and Wilda's room and they opened their gifts. John and Stella had made sure that there was something from the Association. It was a nice cup engraved from the friends of the 106th Infantry Division Association. Leo and Wilda sure appreciated it.

This is one experience that we both shall never forget. The other is serving the 106th Infantry Division Association as their Adjutant. Hope that I have done the job well.

Sincerely yours,

Robert and Jean Pierce Sr.

Dear Dick and Marge,

What a surprise! A letter written by my Sergeant! Here's another - my answer!

We would like to thank you again as we had a very nice time. It was great to relive the past.

One of my former students was sent to Belgium as part of his reserve training this summer to set up a computer center. He went to St. Vith and mailed me photos of the Memorial and the college. Our memorial is in great shape as of July. This was a great surprise.

Saturday I had another shock when I received the Bronze Star from the Army. It was issued August 24, 1962 based on the award of the Combat Infantry Badge. Another surprise! Others can receive theirs -

My medals are supposed to follow in 90 days. I have been waiting three years.

Found everything good at home except flowers which weren't watered.

Grandsons had grown and were extremely healthy. You can see I don't write much anymore.

Again thanks,

Your buddy forever, Bob & Mildred

Dear Bob,

I won't be able to attend the reunion this year as my walking in crowds isn't so good, due to arthritis in the spine.

Would like to see my Buddies from the 422nd Co C and other fellows I have met.

Good luck to you and all of the officers.

Please send in all your material for the next CUB by November 1, 1984.

Dear Rich De Heer,

My old buddy from the 106th called me last week and he doesn't belong to the 106th. He happened to meet **Ringer** and he mentioned my name.

Could you please send him a copy of some of the Cubs if available.

He would like to be a member of our get togethers. I have sent him the address of our Adjutant and hope he will send his dues in.

Dear Bob,

Enclosing money order for my 106th association dues in the amount of \$20.00, for period 1 July 1984 - 30 June 1986.

I had been making plans to attend the Reunion in Savannah, but at the moment it looks like I will be unable to make it.

The item in the recent Cub about the Bronze Star answered a question that has bugged me for many years. I received mine around 1952, a real surprise, as I had never applied for it. I certainly did not do anything heroic, and thought maybe I got it for outrunning the Panzers and 88 shells for three days and nights. I did receive the CIB in September 1945, about a month before I was discharged, with CIB pay retroactive to December 1944.

I am still Service Officer with the American Legion, also volunteer with the Red Cross and I was involved in a small way in the recent Connecticut flood disaster.

Please give my kind regards to all at the Reunion. I would be glad to hear from any former member of 422 F.

Cordially,

Thanks!

Hi,

We are planning our 30th reunion at Hershey Park, September 4th - we all have a wonderful time each year.

If there is anyone interested in coming and joining us they are certainly welcome.

This will be too late in getting to the friends, so please write to Tom and have him put your name on the list for next year. We sure would be grateful!

Thank you!

Dear Bob,

Much success in coming reunion in Savannah. I'll be unable to attend due to health problems.

Unfortunately, happy holidays of Thanksgiving, Christmas and most of January were spent in Henes VA Hospital. At present I am feeling better -and able to be up.

We enjoyed a surprise visit from Maxine and Don Armington a few weeks ago. Also a recent visit from John and Virginia Beize.

Best Wishes to all!

Greetings to All Golden Lions,

Excuse my laziness - will send check to Bob Pierce under separate cover.

We are certainly enjoying our retirement but have yet to learn to say no thus I am quite busy with a number of organizations and most recently an appointment to our Church's 150th anniversary publicity committee. Really this is one I take pride in and truly enjoy. My wife Wilma and I are still very active in VFW affairs and had the opportunity to attend the Illinois state convention in Peoria during the third week in June.

Due to my wife's problems with bladder tumors we were compelled to scrap our plans to tour Europe this summer but we hope to get on with it in the summer of 1985.

I must admit that I have been quite lax in visiting with Leo Liesse who lives but 15 miles from my home but it seems on my visits to Jefferson Barracks VA Hospital, the group I travel with are always pressed for time. Leo lives a short distance from JBVAMC.

I also find it disappointing that so few of the many former 422nd members are not members of the Association or perhaps are reluctant to drop the Editor a note and in return we may be afforded a chance to find them and renew the comradeship we had at one time.

So much for this annual communique. With best wishes and warm regards,

I remain yours in Comradeship,

*Milton G. Haas
3rd Bn Hq Co 422nd Regt.*

P.S. With the attainment of age 60 last October, my Army Reserve pension began which, needless to say, is like money from home without writing for it.

Dear Bob,

Misplaced my last membership card -or, at least, cannot recall where I placed it even though I stumbled across it not more than two weeks ago. One cannot carry all the cards in a normal wallet so I reduced my collection to those most likely to be needed locally. However, I did locate the one for '81-82 that had memo indicating that check no. 122, issued 10/30/82, for two year period 1982-83 and '83-84, plus \$10.00 toward the Memorial Fund, total \$30.00. Also, I recall the remark I made when apologizing for the delay, using Jimmy Durante's off-repeated phrase: "What a revolting development", referring to my oversight and awakening.

The enclosed check for \$30.00 will cover the next two years plus \$10.00 for the Memorial Fund. No doubt you have since learned of typographical error in last issue of the Cub - calling for 1983-84 dues. Hopefully - all have been paid by this time.

My best regards to all buddies, their wives, children, etc. - also best wishes for a great 38th Reunion. May God keep all "in the palm of His Hand" - those making the trip to and from Savannah, Georgia and the ones who will make the 40th Anniversary trip back to the hallowed area where so many of our buddies gave their all.

While I have no hard feelings toward the Russian people; actually pity them for having been born under the Soviet Flag, if I were able to make the trip to Europe with the group - I would omit the journey to Russia for the reason that one could not expect to see anyone other than Soviet Officials, KGB special agents and dedicated (brain-washed) soldiers who were raised to betray their own blood relatives.

I'm still hoping to realize a long held desire to retrace my steps as a POW on what are now referred to as "The Black Death Marches" after being ordered to surrender in Battle of the Bulge - (1) from Auw to Limburg, Germany - (Stalag XII-A) 12/19 - 30/44 and (2) Gerlitz (Stalag VIII-A) to Braunschweig, GA., 2/14 -3/26/45 - approx. 511 miles, total. You may recall that I twice sent resume of the marches that gave kilometers marched each day, where billeted for night, rations received, if any, etc. -as taken from my

diary, hoping it could be printed as an "insert" - that it might be helpful to those POWs that made either march in the event they re-open (or file) claim with V.A. - especially since passage of Bill 97-37, that reduced 6 months minimum incarceration to ONE MONTH - and gives the PRESUMPTIVE (benefit of doubt) to "SERVICE CONNECTION" to many disabilities known to be result of malnutrition, dysentery, filth, frozen extremities, etc. I, for one, put up a fight for many years - but get nowhere and a measley 10% - and, if that was not enough after having to undergo two major operations that the V.A. did not pay for - my R.R. pension - first check (effective 1-23-75) was accompanied by memo stating that same had to be reduced by the amount of V.A. Award. They called it a pension that I told 'em could not in any way be interpreted as a PENSION -for it was a Service Connected Disability Award.

I'm not going to suggest that you print the resumes - but, if you should print this letter - or portion thereof showing the dates, starting and destination points, perhaps it will locate some men who can identify themselves as having been with our columns all or part of the way. Many fell out enroute, never to be heard from again. I am particularly anxious to hear from men who knew me as a member of Headquarters Company, 3rd Bn, 422nd Regiment, 106th (Golden Lion) Division, Camp Atterbury, Ind. I cannot - at age 74 - promise to answer-in-writing those I do not know personally - BUT upon receipt of stamped self-addressed envelope - will send copy of resume of both marches -and for \$1.00 - will send zerox copies of Clinical Dietician's calculation (a nutrient analysis) of the foods consumed by the prisoners on the Black Death Marches, also the significance of some of the deficiencies (about 12) and a comparison with Recommended Dietary Allowance levels for males ages 19-22 and ages 23-50 - as stated on Hospital letterhead - and the statement: "Considering the extent of the nutrient deficits calculated from the prisoner of war diet, the prisoners probably experienced many of the symptoms listed above".

Also, if anyone knows of a widow of buddy who expired after return home please contact her and - if not remarried,

also can located V.A. file - or Service Officer who may have handled claim -perhaps it can be ascertained if on either march, especially the last one that really finished off many, also left "telling" disabilities on the rest of us - and the older we get, the more "we know we were there - ever-there".

One more thought - if anyone is a member of American Ex-Prisoners-Of-War, Inc. - check February 1981 POW Bulletin for resume of two marches - and the December 1983 issue for the Clinical Dietitian's nutrient analysis.

That's all - God bless,

Leo R. Leisse, Sr.

Dear Richard,

In the recent issue of "The Cub" you had a note that WWII vets are still eligible for the Bronze Star if they were awarded the Combat Medical Badge.

Evidentially I have missed any previous memos on this and as a result I have several questions.

1st - why has this been offered?

2nd - what proof is needed to claim this award. (I would assume a copy of the discharge papers would be adequate?)

3rd - whom do I contact in order to receive this medal.

I realize that it is not easy to handle the many requests you receive for information so if it would be more convenient to phone me at my office, please do at 800-323-2545.

Many thanks for your time and help.

DUES ARE DUE!!

Dear Bob,

I received my September issue of **The Cub** and I always enjoy reading about members of the 106th and comparing the experiences we all endured. I have received information from Ralph G. Hill, which has helped me to understand some of the events that occurred in December of 1944

I was in the 589th F.A. Battery C and was captured December 21 in a motor pool. I was bombarded by the R.A.F. and American planes in the war zone, while locked up in box-cars. I also survived the raid as Louis Peluso stated. I was at Stalag IV-B, Leipzig and Halle, during air attacks. Arthur Jebens also stated he endured the same experience. I will try and contact Louis and Arthur and discuss our "days of glory".

I spent most of my incarceration period at Leipzig repairing railroads. We were forced marched from Leipzig, as the allies approached, to the Elbe River, where we met the Russians April 25, 1945. About 45 of us survived the internment. I would enjoy hearing from all Ex-P.O.W.'s who endured the events indicated. I also observed in **The Cub** that Henry Healan stated that we met at the Ex-P.O.W. Convention in Cleveland. I really enjoyed our discussions, but Henry I was in C Battery 589th F.A., under Captain Rockwell.

Please send information pertaining to the 106th convention in Georgia in 1984. We plan on attending the 1984 convention because there will be no conflict with the Ex-P.O.W. Convention in Washington. In the past few years there have been conflicts with both conventions on the same dates.

Sincerely,

P.S. Enclosed is a check for my dues for two years. Thanks.

Hello fellow 106'ers,

Could we ever use some ice cubes here in Ohio! The dog days have moved in for sure.

What a good time we had in Savannah. Jim and Maydean and their staff did a super job and this convention will surely go down as one of the best ever put on. Again, many thanks to you fine Georgians for giving us all such a memorable reunion. I just noticed in our local Cleveland paper that you even held off the invasion of mosquitoes until we left. We enjoyed seeing some old friends, the Lainharts and also were saddened by the news of Thelma Burke's death. She was a special person to Martha and I and we'll miss her a great deal.

Our trip home was without mishap and the Gilders & Fritz's are all back to work. We will be awaiting the news of our sons, Gregg and Eric and their wives, who are leaving for a trip out west to see the Olympics. The tradition of our two families goes on now with these 2 great sons and we just hope their trips together end up as enjoyable as has ours.

Congratulation to our new Officers and Board of Directors. Theirs is no easy task, but I'm sure they'll come through with flying colors. Also, many, many thanks to our outgoing Adjutant, Bob Pierce. His dedication and contributions to that office will be sorely missed by all members.

It was such a good feeling seeing all of our friends again this year, we'll look forward to Morgantown and the Ohio delegation. See you at our December get together.

How about some of you other members writing to our CUB editor with your experiences. He cannot fulfill his job without a lot of input from all of us. He really likes to hear from all.

Yours in comradeship,

John and Martha Fritz

P.S. to Maydean: Should Ms. Ferraro slip a cog along the way, could we put your name on the ticket? After listening to your after dinner speech. I think you'd really WOW them all.

Dear Mr. Pierce,

Thanks for the prompt reply. Sure has been a busy 39 years. I am in fair health, have a son and daughter and one grand-son.

I was in North African 1943 and joined the 423rd Co. L. at Camp Atterbury, Indiana. Was held POW a Bad Orb 9-B Stalag. I would like to hear from any members of L Co, 423rd.

We were all so happy to be alive and home, and get busy making a new life that we forgot so many guys and now as we get old we lament, we start to get back in touch with them.

Thanks and regards,

Dear Mr. De Heer,

It is with heavy heart that I report the death of my beloved wife Carolyn Cavender on May 22, 1984. She put up a gallant fight against cancer discovered and operated on in July '81. She did very well until radiation was tried in early December '83. Never a complaint - a real trooper.

We would have celebrated our 60th wedding anniversary on August 31, 1984. She will be remembered by many of the wives of members of the 423rd at Camp Jackson and Atterbury.

We have one daughter, Sarah, who lives with her family at Jequim, Washington.

Have a grand reunion at Savannah.

Faithfully,

Dear Dick,

This is the first Saturday I've had in a month to do a little personal correspondence. I have been traveling into most parts of the country these past two to three years. As Shirley says: "you have gone full circle". She means that after selling lumber products on the road originally, then taking up ownership and management of Hansen Corporation for 17 years, she finds me back tgraveling again: this time as a marketing consultant. I do specialized distribution systems and then create the marketing framework for E.I. DuPont de Nemours in Wilmington, Delaware and the J.J. Barker Company, Cowansville, Quebec, Canada. With my experience in the building industry, my program works well for all involved.

I might advise here in this memorandum, that I have an annual committment to entertain at the Invitational Golf Tournament of my Country Club the same week as Savannah. Please express our regrets to all those in attendance and especially to Maydean and Jim Wells. One of these years, if I last long enough, or have to hang up my clubs, Shirley and I will be amongst the "OLD GUARD".

I haven't seen too many of the Michigan crowd, again due to my travels. Did run into John and Evelyn Shalhoub last week. Hear lots about Bob and Libby Kelly from their daughter Sue, who does all my airline booking. The Kellys do manage to visit many corners of the globe these past few years. The Bob Rutts have gone traveling since he partially retired from the law game. With Larry Gubow gone, haven't seen Estelle in a couple of years.

Another regret for Shirley and I not making the 1984 Reunion, is our inability to visit with the Leo T. McMahons. A very great pair to be acquainted with. The Association has been fortunate to have had their presence - especially since Leo is "Irish".

Well Dick, I have rambled along a bit too long; but feel this information and chit-chat helps bridge our not being able to be in Savannah.

Have a great meeting - say HI to all in attendance . . .

Sincerely,

Shirley and Jack Gillespie

A note to tell you that I have heard from Mr. Charles B. MacDonald, T-4, 5300 Columbia Pike, Arlington, Virginia 22204 who is in the middle of writing a book about the Battle of the Bulge. Would you please insert the following in the next issue of the CUB?? Thanks!

*"My book deals not just with the 106th Division but with the entire Battle of the Bulge. With the title, **A Time For Trumpets: The Untold Story Of The Battle Of The Bulge**, it will be published in late October - early November by William Morrow and Company, New York. Although I will be unable to notify individuals at the time of publication, I hope to have the publisher provide notices to all division associations of units that fought in the battle; but I am sure if you scout the bookstores about that time, you will find it. The publisher is planning a big promotion. I do hope you enjoy the book.*

My wife, Lillian, and I are looking forward to driving down to Savannah, Georgia in July to attend the 106th Infantry Division Association Annual Reunion. Please give your wife our best regards.

Dear Bob,

Enclosed are membership dues for the coming year for Helen and me.

After selling my thirty-one year old business four years ago I found that retirement wasn't for me and I felt very value-less when I woke each morning and realized that no one - no employees, customers, not even bill collectors - was expecting me. After unlocking a door six days a week for so many years I seem to have developed a habit. In desperation I applied for temporary work and was sent to Control Data's headquarters office near

here and I spent over three years with them as a "temporary". When things got tough they eliminated that class of employee all over the world and I learned to do things for my community and keep busy. A year later - can you believe it? (I'm seventy-one years old) they called me back to work and I went. Helen, however, who is unable to drive, was unhappy with my working. Don't know whether it was me or the car she missed, anyway I reluctantly resigned. Now I'm writing a two page weekly letter to my community - circulation forty-three - and am becoming (in)famous at the local level.

Our younger daughter, Kathy who some of you may remember, is now a member of the State Department. She and her husband are stationed in Riyadh, Saudi Arabia for a couple of years and, if you want to call them, their phone number is 011 966 1 465 7241. If you dial them at noon they will answer at nine p.m., their time, without static or interruption - as if they were next door. We live in a great age.

Hope I have gotten this to you in time for the Cub.

Please ignore the money figures on the new member list. I don't even know if there will be room but sent it in case you want to use it. I realize a couple of the members listed were possibly prior members but all contacted in response to notices in National magazines.

Thanks again for all your help, consideration, and all the other good things during these past months. It was really appreciated.

Thanks again, and hi Marge.

Dear Mr. Wells,

In the April issue of the American Legion, I noticed your reunion for the 106th.

My reason for writing this letter is to locate if possible anyone who might have known a personal friend of mine who was killed on approximately December 24, 1944.

I have been to his grave in Arlington Cemetery and also to visit his mother who is still alive. I realize this is a long shot, but thought I would inquire, since the reunion is coming and just maybe someone might have information on him. His name is as follows:

P.F.C. Harol Schott
425 Inf 106th Division

I believe he was a radio operator.

The Mosleys' Yearly Odyssey

If possible, each 106th reunion gets better! Savannah was tremendous! But it was hot! Eloise and I prepared for our trip by first taking Sheba, our 19 year old Siamese cat, to the vet's and Segen, our 100 pound German Shepherd to a boarding farm on Saturday, 7 July. The next day we left home at 0430 hours to drive to the Halifax Airport. We parked our car for the week's duration and boarded the 0800 hours flight to Montreal. Fog delayed us until 0900. We arrived in Montreal and transferred our luggage for an Eastern Airlines flight to Atlanta. One piece of luggage containing 7 name plaques I had made had been checked, and we had a hassle to get that transferred from Air Canada to Eastern.

We went through U.S. Customs and Immigration at Montreal. Boarding the DC-9, we had a smooth flight to Atlanta, albeit one hour late. The Atlanta Airport for the uninitiated was a nightmare, but we got our rental car and drove up into

the mountains (yes, Georgia has cool mountains!) to Dillard where we had reserved a room at a Best Western hotel. It was marvelous: heated jacuzzi and swimming pool and a wonderful dinner of smoked spare-ribs. Before bed, I had another blissful time in the whirlpool bath.

The next morning we arrived at the home of my sister and her husband at Lake Junaluska, NC. Our daughter Katherine (Kitty) had arrived the day before. We visited, walked, swam in the pool and toured the Blue Ridge National Park, having lunch on Tuesday at Mt. Pisgah.

On Wednesday we left for Savannah, stopping to shop at the "World of Clothing" in South Carolina where I insisted on Eloise buying an 18" x 24" maple bread board (I got it home!). We circled Columbia and saw the neighborhood in W. Columbia where we rented a garage apartment in December '43 and January '44.

We arrived in Savannah about 1830 hours, checked into the Ramada Downtowner and had two adjoining rooms readily accessible to the pool. I had a sick spell on Thursday and "lay low" for 24 hours while Eloise and Kitty went sightseeing on foot and by "trolley."

On Thursday I met Ewell Black and went over our Memorial Service. I phoned CH (LTC) Jimmy Young, Division Chaplain of the 24th Infantry Division, and went over the details of our Service. As Ewell planned to leave after the Service on Friday, I presented him with his plaque at the reception on Thursday evening.

On Friday morning we took buses to Hunter Army Air Field. About half of the group went from Hunter to the Ft. Stewart maneuver area by helicopter; the rest of us took military buses. The one I was in had defective air conditioning, and it was hot!

The luncheon at the NCO Mess was excellent, but the waiting period to get in was comparable to a time in a Turkish bath with the sun pouring down. We did use adjacent air conditioned barracks for "pit stops" and cooling "breathers."

Eloise and I didn't see much of the demonstrations in the bleacher area and on the field: we were busy in the NCO Mess Hall folding the insert sheets

containing the names of our members who were deceased in the past year. I thought we should have those names in print for the Service. As the Memorial Service bulletin had been printed some weeks before as of necessity, this printing of the insert was done in the hotel office on Friday morning.

Our Service was truly inspiring even if we were hot and pretty well exhausted. The singing was accompanied by CH (CPT) James May on his bugle, and all the calls were sounded: "Church Call," "Assembly," "Taps," "Retreat." The echo for "Taps" by the second bugle was given by Specialist Scott at some distance from the portable field Altar and the flag stand. I taped the Service, and in a future issue of "The Cub" will make the Memorial Address of The Rev. Ewell C. Black, Jr., available for printing. I have never heard a better address.

We spent an hour or more in the hot sun doing the final planning for the Service. I couldn't help saying to Chaplain Young: "I am proud of these 106thers. I wonder how your people of the 24th Division would do in similar circumstances at a reunion held 40 years in the future." I went on: "You know, it gets hot in Georgia and, frankly, I was hoping we could hold our Service in an air-conditioned Army Chapel."

The decision to hold the Service outside was that of the 24th Division's Chaplain's staff, and upon reflection I am glad it was made. It was appropriate for the 106th to hold its Memorial Service in the open air as we did in the D-Series in South Carolina, in the Tennessee Maneuvers area, on the Reservation at Camp Atterbury and then in the snow of the Ardennes. We might have suffered from heat and exhaustion, but that Memorial Service gave more luster and life to our hope in God and in our struggle for justice and righteousness. Psalm 133.1 states: "Behold, how good and how pleasant it is for brethern to dwell together in unity!"

Anyway, I perspired (sweated in torrents) so much, and my face got so red that many 106thers were asking me if I were all right. Of course I was! When we got back to the hotel, we went for a swim, showered, and when we were on the way to the "Shrimp Factory," we met Jim Wells in the hotel lobby. He looked at me and said: Chaplain, what a change!" I

"bummed" a "Primo del Rey" cigar from him and went to dinner.

After a fine lunch on Saturday, we held our General Meeting. The new officers and directors were announced. I stated that I could not be Association Chaplain again because of health. Believe me, it has been a very difficult decision. My interest has always been with the Association.

I suggested The Rev. Ewell C. Black, Jr., for the office as Chaplain, and the Board of Directors telephoned him. He accepted, and I am very pleased! After a few years, God willing, when we have moved our reunion date to a cooler time of year, please consider me again for Chaplain of the 106th Infantry Division Association. It has been a great honor, and I have done the best of which I am capable.

I designed a dress tie with the Golden Lion in full color on a blue background. I presented this idea last January in a letter to our officers and Board of Directors, sending 22 letters and receiving 4 replies. I presented this tie design at the General Meeting. I stated that I would go ahead and finance the minimum order of 150 at \$7.50 each plus a one-time design charge of \$150.00 for a total of \$1275.00 Canadian (about \$950.00 U.S.). I will order these ties when I can recoup my personal finances. After all, we just paid off our mortgage and went to the Savannah reunion.

At the General Meeting I spoke of the late Albert Johnson's project of helping to finance his niece Becky through college. I stated that our Memorial Fund was needed to meet the expenses of maintaining our Memorial at St. Vith, but I felt that people in the 106th could help to give a small scholarship to Becky Desjardins. Here's a June 6 quotation from a letter to me from Elizabeth Desjardins, Albert Johnson's sister: "He was so proud of Becky and her ambitions to get a college education. She has such a high IQ and has been in a class for gifted children for 10 years. Her mental age is a lot higher than her physical age (16). He (Albert) had started a little savings account for her, but when the government started cutting social security for widows and children we had to dip into it. But God will provide." I add: perhaps God wants the 106th veterans to help.

Our banquet and dance were everything we could desire. I think that we danced almost every dance. Our "conga" line was the longest I ever saw. The evening was a wonderful one. The hospitality of the Reunion Committee seemed boundless.

We got to bed at 0200 and got up at 0400. We left at 0430 and arrived in Atlanta at 1030 hours to turn in our rental car. Our air trip was uneventful. Our parked car started at the first flick of the switch, but the right rear wheel was locked. We kicked and pounded it, put the transmission in and out of first and reverse and finally got the wheel free. We stopped at 2230 to get Segen and got home just before midnight. Savannah and the 106th Reunion seemed to be so far away. I looked at the outdoor thermometer; it was 50 degrees F. The reunion was over.

ALBERT A. "RED" JOHNSON

Albert Johnson, 60, former postal employee, died on May 21, at the Memphis, Tennessee, Veterans Administration Hospital, where he had been a patient for 29 years. Services were held on May 23 at the Memphis Home Poplar Chapel with burial in the National Cemetery.

Albert served in M Company of the 423rd Infantry Regiment of the 106th Infantry Division in World War II. He was a member of the Disabled American Veterans, the American Legion, a charter member of the Veterans of the Battle of the Bulge, the North American Society of Clan Gunn, the 106th Infantry Division Association and the Berclair Church of Christ. He leaves a sister, Mrs. Elizabeth Desjardins, 445 Mineral Road, Memphis, TN 38119, a niece Rebecca and a nephew Robert.

Albert was born in Little Rock, Arkansas, on February 21, 1924. His father was a disabled World War I veteran of the 114th Field Artillery who had served in Britain, France and Germany, and who was killed in an auto accident when Albert was 8 years old.

After combat in Europe in World War II Albert worked for the U.S. Post Office until he was injured in an accident in 1954. This resulted in his being confined

to a wheelchair for the rest of his life. In spite of this "inconvenience", Albert kept up a very large correspondence with many friends. Every letter he wrote had to be dictated. In the Veterans Hospital in Memphis, he was an active participant in many groups and activities including the chapel program.

Albert, accompanied by his nephew Bobby, attended the 106th Infantry Division Association reunion in Hot Springs, Kentucky Lake and Milwaukee.

Almost every issue of "The Cub," the magazine of the 106th Association, had a communication from Albert Johnson.

Albert became a great symbol of the 106th Infantry Division. In a wheelchair he was confined, but his influence on everyone he met was a tremendous one. His courage, love, comradeship, and great sense of caring were exemplary.

We send our love and sympathy to his family.
