

C. A. Garrett  
HQ Battery  
106th Infantry Division

This vintage knife is marked WESTERN BOULDER, COLO. and PAT. NO. 1,967,479. The knife appears to be unused. Most of the original finish is on the blade. The leather scabbard looks really good. The writing on the front is 106th INF. DIV. Hdq Btry CO. The back reads Staff Sgt. C.A. Garrett Hdq Btry, 106 Inf Div "Camp Atterbury, Indiana" JUNE 1944.
