‘This Is Marcy’ Program Gets 10,000th Request

Miss Marcella Lutes of Edinburg who originated the program at station WAKE, Wessex General Hospital, is Miss Marcella Lutes, of Edinburg. The program is called, “This Is Marcy,” and was started to pay in November, 1945. Last week, “This Is Marcy” received its 10,000th request from the hospital patients and visitors. Although Miss Lutes plays alto on her program, she can sing herself. At different times she has sung with the 45th Army Service Forces band, the 190th Division band, and the 190th Division band, and with bands in Indianapolis. She once sang with Robert Hedin’s orchestra when he played at a Chicago theater.

Set County Goals of Food Production

To Co-operate in Food Conservation Program

In connection with the nation-wide policy to conserve food and increase food production, Mrs. Lutes, Johnson County chairman of the conservation food program, with the assistance of the United States Department of Agriculture has established goals of the foods to be produced in the county.

Farmers in the county are urged to contact Mr. Lutes and to arrange their farm production program so as to give the greatest possible assistance in reaching the
