

SAVANNAH VOLUNTEER GUARDS

ROSTER OF 1ST BATTALION 118TH FIELD ARTILLERY
ON SEPTEMBER 16TH 1940 WHEN MUSTERED INTO
ACTIVE SERVICE FOR WORLD WAR II

All Personnel Were From Savannah

Jim: I HAVE MARKED A FEW
ON THE 1ST FEW PAGES THAT
ARE NOT IN YOUR ROSTER
MAY BE MORE - I JUST LOOKED
AT YOUR 1ST PAGE A-B-ESQ,
THIS IS FROM THE 118TH
F.A. HISTORY BOOK

**OFFICIAL INSIGNIA (SHIELD) OF THE 118TH FIELD ARTILLERY BATTALION -
APPEARS ON BATTALION STANDARD, ALSO WORN ON BLOUSE SHOULDER STRAP
OF PERSONNEL**

Shield: Gules, a saltire grey fimbriated or, in chief a lion passant guardant, in base a fleur-de-lis of the last.

(Without a technical knowledge or reference, it is virtually impossible to translate the foregoing into simple English. A visual reference to the Insignia, however, should make it clearer.)

Crest: That for Regiments of Georgia National Guard. On a wreath of the colors (or and gules) a boar's head erased gules (more double talk) in the mouth an oak branch.

Motto: Nescit Gedere, which translates literally from the Latin as "He knows no surrender".

The shield is red for artillery. The lion (passant guardant) and the fleur-de-lis, an old French symbol, denote service in the Revolutionary and First World Wars respectively. The grey saltire or x cross represents Civil War Service as Confederate Troops.
