Dear Frank:

I was able to procure several phone directories from our telephone company, and have been able to check on the names listed in the book you sent. One of the names you mention as having been returned Kleinschmidt I haven't been able to locate, having checked the various towns in the vicinity of the address you furnished.

None of the persons listed as Danbury residents are listed in the Danbury directory, also the individuals as being residents of Naugatuck fall into this group, however Joseph Baiads' residence is listed as Beach, Bethel Conn. 06801.

Brellis, Frank A. 497 N. Spring Naugatuck 06770

I checked all names listed in the following towns, New Britain, Waterbury, Andover, Canterbury, Willmantic, Coventry, Middletown, Norwich, Plainville, Plainfield, Danielson, Putnam, Portland, Thomaston, Cromwell, Stafford Springs, other than those names I furnished you none are listed.

I shall secure additional directories in the next few days and determine whether or not any of those people still exist. One more name I found listed in the Middletown directory, however, this listing must be the widow of John J. Whalen, as it was listed as (Mrs.)

Thanks for this assignment as it has given me something to occupy my time.

Sincerely,

*Shue*

Dear Frank:

I was able to secure additional directories yesterday and now I have additional names for you. I'm also enclosing four of those returned notices with corrections, I must assume that you didn't realize that some of these directories carried area towns.

Robert G. Carlson West Bridge Lane Deep River 06417  
A.E. Donaldson 201 Bretton, Bridgeport 06606  
Wilbur A. Goss 9 Moore Ave. Old Lyme 06371  
Carl H. Lyng 104 James Town Rd., Stratford 06497  
Louis Nell 33 Oswegatchie Rd. Waterford 06385  
Joseph Tafuto 182 Gaylord Mountain Rd. Hamden 06518  
Joseph Zaraschi 3 Belmont Ave. Deep River 06417

I've covered most of all the larger cities and most of the smaller ones also, however, I will concentrate on the ones with one or two names. I must comment on the fact that there so many members of the association living in Connecticut and not either being members of the NE chapter or not attending any of the Chapters' meetings.

Sincerely yours,

*Steve*
