

WE KEEP THE FAITH

KILLED IN ACTION OR DIED OF WOUNDS

THESE are the names of the Battalion's dead—killed in the violent fight for their country's purpose during the time the 743 was in action, from D-Day in France to V-E Day in Germany. These are the officers and these are the men who did not remain with us, the living, to see the victory they helped so much to bring.

"We Keep The Faith . . ." It is our Battalion motto.

This is the list of those for whom we keep it.
