Officers, Yellowjackets Face Atterbury Tonight

Closed Ballot To Select NCO Office Seekers

Candidates for the office of president and vice-president of the NCO club will be elected by a closed ballot, next Thursday night, it was announced by T/Sgt. Frank J. Masterson early this week.

Because of the unusual amount of pre-election discussion and the fact that all indications point to a close vote, it was decided to change the balloting system of a show of hands, so that a more accurate count could be had.

Elections will be held beginning at 8 p. m. sharp and will last for one hour. As a member enters the door of the club he will present his card. It will be checked against a roster of members and the name will be marked off. Then he will be given a ballot on which the names of the three candidates for president will be printed. He will mark his choice with an "X" and deposit his vote in a ballot box. Any erasures will void the ballot.

At another table the voter will be given ballots with the names of the candidates for vice-president printed. The voting procedure will be the same.

Members of the Board of Governors will tally the vote immediately after the polling booths have been closed and the results of the election will be announced.

Candidates for president are: S/Sgt. Abraham Rabichow, S/Sgt. Harold A. Callison and S/Sgt. James P. Kane. For vice-president: S/Sgt. John Greenlee, Sgt. Irwin Klocko and Cpl. Frank Marascullo.

Unique Gift Idea Suggested By Post War Bond Officer

"Bonds for Baby" is the latest Christmas gift suggestion offered by Lt. Verena Simpson, post War Bond officer.

With only seven shopping days remaining before the big day, the idea offered an easy solution of that "hard-to-get-gift" for the youngster.

"I know," said Lt. Simpson, that at first the answer will be, "Sure, it's a good idea, but what kid will appreciate a bond." But wait," she added, "until they see the gift certificates we have on hand."

The certificate Lt. Simpson re-

Good Bye, Good Luck and happy landings are the words that seem to be indicated in Col. E. T. Rundquist's stance as he saw the helicopters off for Chanute Field last Friday. Jurisdiction of the helicopter training program was transferred from the Eastern Flying Training Command to the Eastern Technical Training Command. Formations of the "grasshoppers" dipped low in salute to Freeman Field late Friday on the way to their new station at Rantoul, Ill.

Back To Indiana

It was announced this week that headquarters of the AAF Personnel Redistribution Command would soon be located at Bowman Field, Kentucky.

Reason for the shift of headquarters from Atlantic City to Bowman was explained because "it is more centrally located."

So, it now looks like you guys who escape those AGF shipments will be able to visit Seymour again when your tour of overseas service with the AAF is over.

Xmas Day Dinner

On Christmas day the Freeman mess halls will offer another of their super de-luxe turkey dinners with all the fix-ins to which all military personnel may invite civilian guests at seventy-five cents each.

Those who anticipate having dinner guests in the mess hall are urged to purchase guest tickets from their respective section or Lt. Reuben Graham immediately.

First Group Transfers To Army Ground Forces

Transfer to the Army Ground Forces became a reality last week as the first group of enlisted men left for further assignment at a camp in Texas.

Those selected were men qualified for general service and in all but a few cases were of the lower grades. Each was given a rigid physical examination and fitted into a certain category as to GCT (general classification test) and physical profile.

Sergeant Geise Awarded Croix de Guerre

Earth tremors, more violent than those recorded recently around Japan, will be felt in the vicinity of the Public Relations office when S/Sgt. Russell E. Geise, now at the Base Photo Section gets around to reading this article.

But, when a man is awarded the Croix de Guerre by General De Gaulle of the French Provisional Government the story must be told, in spite of the consequences.

When Geise received word of the citation a few weeks ago, he

his aerial camera. He was "in" on the fighting at the Anzio beachhead and was the only photographer to get perfect photos of the pin-point bombing of Rome where only military concentrations were subjected to attack. For this achievement Geise was awarded an oak leaf cluster to the Air Medal.

Returning to the States in August, 1944, Geise was authorized to wear the Air Medal with six clusters, the Presidential citation with cluster, European Theatre ribbon with a bronze star na-

Twin Cage Bill Holds Promise Of Close Fight

Basketball fans are promised another of those rip-roaring double headers tonight when two Atterbury fives invade these premises for a pair of games with Freeman's tried and true Post Officers and up-and-coming enlisted Yellowjackets.

Both local quints threw off the yoke of defeat last Friday in games here with Crane Naval Depot and are expected to make things extremely interesting for the visitors tonight.

Opposing the officers in the opener at 7 p. m. will be Atterbury Air Base, who handed the commissioned men their only setback of the season two weeks ago, and if reported strength of Camp Atterbury who will face the Yellowjackets in the nightcap at 8 p. m. is substantiated, both games will be outstanding battles.

The Attaboys, as the Camp Atterbury quint is known, have gained at least an even break in a tough schedule to date. In one of the first games of the season, they downed the strong Stout Field quint by the score of 47-36, and although defeated 44-22 by Indiana University two weeks ago, the Attaboys were without the services of four members of their starting team.

They will come here from an engagement Wednesday night with the sensational Bunker Hill Flying Patriots, who took advantage of the Yellowjackets' slow start to hang up a one-sided victory. Since their defeat two (Continued on page 2, column 4)

Col. Patrick Bids Farewell To Wing; Mallory Succeeds

Col. John B. Patrick, commanding officer of the 30th Flying Training Wing, has been notified of his transfer from the command to another assignment, according to a letter received by Col. Rundquist.

In his letter Col. Patrick said, "The part you have played in assisting in the development and maintenance of the high standard of achievement attained by the 30th Flying Training Wing, which has been reflected in the achievement record of the EFTC, is a matter of record and a source of

ferred to as one especially designed by Walt Disney, creator of the animated movie cartoons. Bordered on the high grade bond paper are full colored reproductions of Disney's characters. They include all of the Seven Dwarfs, Snowwhite, Mickey Mouse, Donald Duck, Porky the Pig, Pluto, Bambi and many others. All are looking toward the center where are engraved the words: "Know All Men By These Presents: This is to certify that (Name) is the owner of a War Bond, thereby becoming an investor in (Continued on page 4, column 4)

indicated that perhaps he would submit to an interview. He answered in effect, "Nothing doing, and don't try to make a story out of it—or else," which was quite a strong statement to make. for S/Sgt. Geise is one of those soft-spoken men who speaks only when spoken to—and sometimes substitutes a deep silence for an answer.

S/Sgt. Russell E. Geise

Twenty-two-year-old Geise is a veteran of 65 missions with the 12th Air Force in Italy and served as a photo gunner on a B-26 which consisted of alternat-

ing from the tail gun position to the bomb bay where he recorded results of the mission with

Pearl Harbor and Good Conduct ribbons, never thinking that he would be adding more "fruit salad" within a few months.

And here's how he came about his latest award:

"This is to Certify: That on 8 August 1944 S/Sgt. Russell E. Geise, a member of the - - - Group which was part of the - - - Wing, was cited by General De Gaulle, President of the Provisional Government of the French Republic and Chief of the Armies, by order No. 44 of (continued on page 4, column 1)

great satisfaction to me." Succeeding Col. Patrick as commanding officer of the 30th Wing is Col. Louis C. Mallory. During the last war Col. Mallory served in the Aviation Signal Section as a private from September 1917 to June 1918. He is a rated command pilot and observer and was graduated from the Air Corps Tactical School in 1939.

It was announced later this week that Col. Patrick had assumed command of Lowry Field, Denver, Colo., on Saturday December 8.

THE CHAPLAIN CHATS

CHAPLAIN HENDERSON

President Lincoln, during the tough days of the Civil War, gathered his cabinet for counsel. One of the members said, "The important question is, 'Is God on our side?'" Lincoln replied, "The important question, gentlemen, is, 'Are we on God's side?'"

Chaplain Henderson

I am not sure just how much we have thought about that important question. We talk a lot about fighting God's battles, about Him being our Co-Pilot, and often try to enlist Him into our ranks. How many of us humbly hope and pray that we are on God's side? How do we know that we are anyway? I doubt if anyone can give all the answers, and I am sure that I cannot. However there are a few things that we can say with certainty.

First of all, we can be sure that God's side is that of justice and freedom. We know that He is against injustice and oppression wherever He finds it—in Germany or in America. If a class or race is discriminated against or if freedom of expression or worship is withheld, God is surely against that wherever it exists. Thus you see, if we are to battle on His side, we must fight against intolerance, injustice and slavery abroad and at home. Justice and freedom must not only be our ideals, but they must be translated into our national and personal lives.

Also, we know that God is on the side of goodness and morality. He is against immorality, evil, and sin wherever He finds it—in Japan or in America. And we have a lot to answer for here—not so much that our crime rates are so high, but that we do not erase the causes for it. They lie in our indifferent parents, our disparity between poor and rich, our moral carelessness in drinking and sex relations. God is opposed to that. If America is to be fighting on God's side, she must develop the moral backbone of her citizens.

Also, we know that God is always working for His Kingdom of love and peace. He is always against those forces that work to separate man from his brothers, that plant distrust and hatred in the hearts of people. God's Kingdom is the world—not divided by race and nationality, but bound by love and brotherhood. If we can keep that ideal alive in our hearts and in our land—no matter what terrible things our hands have to do—we can be fighting the Lord's battles. More than ever, our National Anthem has meaning to us now. Hear the challenge of the last stanza:

"O thus be it ever when free men shall stand Between their loved homes and the war's desolation;

Kiddy Xmas Party At Theatre Friday

The second annual Christmas party for children of Freeman Field military personnel will be held in the post theater Friday, Dec. 22, beginning at 4 p. m. Children up to the age of 14 are eligible to attend.

The program which will be approximately one hour long, will feature a Santa Claus, gifts, Christmas tree, sacks of candy, fruit and nuts, two animated cartoons and Christmas carols.

Gifts will be distribute to those children whose parents reported their names to the Women's Utilization Branch several weeks ago when the organization sponsored an active campaign to obtain names and ages of children.

However, all children in the age category are eligible to attend. Mrs. E. T. Rundquist, president of the WUB, said, and in the event there are any extra presents they will be given to children whose names had not been turned in during the registration period. Parents may register these children when they enter the theater for the party.

The animated cartoons are "Pasty Town Wedding" and "Merry Kittens." The Christmas carols will be sung by members of the Sunday school class of Chapel No. 1, under the direction of Mrs. Norman Wood.

The party is sponsored by the WUB in conjunction with the post chapels. Committee members are Mrs. Rundquist, Mrs. Wood and Chaplain Phillips B. Henderson.

WACs Works

WELCOME

Pvt. Thelma Schlangen who arrived from Gunter Field this week felt quite at home when she saw the white-clad grounds. Thelma hails from Hotchkiss, Colorado, so our icy Indiana winds were comforting and familiar to her. She was quite impressed by the privileges we enjoy as Freeman Wacs, and much prefers our G. I. barracks to the stucco buildings she lived in at Gunter. Thelma has been assigned to Personnel and can be seen any time busily working on service records. We're happy to have you with us, Thelma, and we hope that your first impression will become a lasting one.

AND FAREWELL

With the Helicopter Detachment this week went two of our girls, Cpl. Una Parker and Cpl. Mary Karwowski. Both girls had been with the department

705th Band

A concert by the 705th marking the second anniversary of the Baptist Hospitality Center in Seymour was attended by a large crowd of Freemanites and "happy civilians" last Sunday. The program was well diversified, ranging from Offenbach's "Orpheus in the Underworld" to a musical version of "The Three Bears" narrated by our Mr. Chetel.

Last Monday we had the pleasure of greeting a gate from the Islands with two and half years APO to his credit. It was Pfc. Ed Tomasiak from the Windy City. Welcome back, Ed; bet this weather makes you feel at home, huh?

It seems as though for everyone that comes, someone must go. This time it was Pvt. Leonard Lee who transferred to the Infantry, a few days before Pfc. Tomasiak arrived. We'll all miss Frosty, we're sure.

When this tripe is in type, the band rally scheduled for Wednesday, December 13 will have come to pass, and the 705th will chalk up another concert on the stage of the Majestic theater in town. The first appearance was last year during an all-Freeman show featuring Cpl. Buddy Breeze, remember???

Basketball Tonite

(Continued from page one) weeks ago, the Attaboy's have also played a return game with the Indiana varsity.

Coached by Capt. Kenneth Gorrell, former Indiana U. star, tonight's visitors are a well-rounded club. Bearing particular watching will be Bob Risinger, lanky center, who bucketed 10 points in the first I. U. game. Completing the starting lineup will probably be Baker, Reid, Ballenger and Chalfant, the four regulars who were absent for that contest.

Lt. Blake Turner, who has taken over the Yellowjackets' coaching reins during the absence of Capt. C. D. Nichols, will likely restore first confidence in the starting lineup of last Friday which included, 'Cec' Davis and Joe McDonald, forwards; Charlie Brown, center, Larry Schwartz and Ed Gittens, guards.

Likewise, the combination that clicked so well against the Crane Marines will probably start for the Post Officers, including Harry Schoenhaus and John Olson, forwards; Bob Hines, center, Blake Turner and Charlie Crammins, guards.

Civvys Hit Midway Mark in War Drive

Civilian employees on the field had almost reached the halfway mark this week in their drive to fill a quota of \$62,000 in the Sixth War Bond Drive.

With one month still to go, the percentage stood at 41.8 with cash sales standing at \$4,000 and the amount credited to payroll deductions topping \$22,000.

It was evident that cash sales were holding down the figures, for at the beginning of the drive it was estimated that civilian employees would have to raise \$20,000 through cash purchases.

However, three people took the cash purchase idea very much to heart by purchasing a \$500 bond apiece. They were August Claprod of the A/C Sheet Metal Dept., Lorene Boggs of Warehouse 351 and Margaret J. Furnace of the Personal Affairs office.

Mr. Claprod came in for double honors this week for as "minute-man" of the sheet metal department, his group lead the list of the twenty-five departments in War Bond standings. The percentage quota for the department reached 66.9. Following closely on the heels of the leader were Verna Claycamp's Civilian Personnel team with 63.5; Quartermaster with 62.7 headed by Ruth Robbins; Betty Elder in Warehouse 351 with 61.0 and William Coldiron of Hangar 2 with 60.8 per cent.

Worth Investigating

Here's one of those things you hear about, that doesn't often happen to you individually:

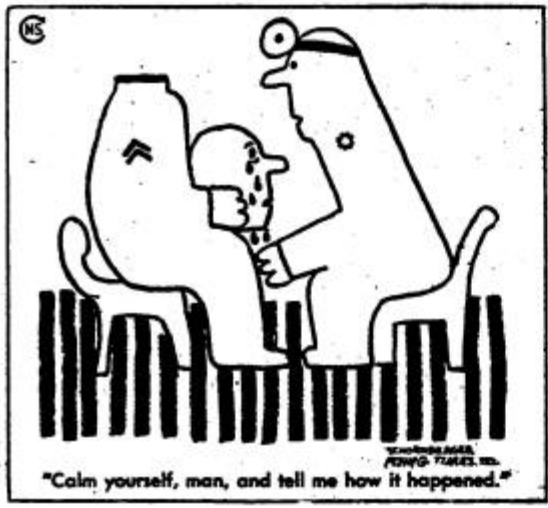

Last Wednesday morning the Special Service office received a long distance call from Indianapolis. It was a Mrs. Simpson calling to invite men to her home.

Now, that in itself, isn't unusual. Plenty of people have opened their homes to servicemen. But this woman extended a blanket invite to all men in uniform — which is quite a crowd. Seems she has a tea dance every Saturday night and a hot buffet supper on Wednesday nights. She also said that she would have girls on hand to make the parties more interesting. (Whoa, junior, she also said that she would vouch for their reputations).

Mrs. Simpson's address is 1010 North Delaware street. In order to reach her home you board any bus marked "Central Ave." and leave at 10th and Delaware. Sounds like a good deal from where we sit.

NCO Elections

Blest with victory and peace, may the Heaven-rescued land Praise the Power that hath made and preserved us a nation. Then conquer we must, for our cause it is just. And this be our motto, 'In God is our trust'; And the Star-Spangled Banner in triumph shall wave O'er the land of the free and the home of the brave."

since its infancy; Una in an administrative capacity and "Ski" an mechanic and dispatcher. Good byes were also bid to Pvt. Grace Sullivan, who was transferred to Shaw Field, South Carolina, this week. With these gals go our sincerest wishes for a lot of luck at their new stations.

OUIJA BOARD SETS DATE
Pvt. Sylvia Owens is wondering just how much faith to put in this inanimate object. It seems that the ouija board has revealed that she shall be wed on Christmas Day. All Sylvia can say is, "That's news to me." In ten more days we will know whether or not the board is just another piece of kindling or a sure-proof fortune teller.

ORCHIDS
To the Medics for their grand party last Saturday night. Each woman was greeted at the door of the mess hall by a medic who graciously pinned on corsages. We could almost imagine the pink and white corsages were pinned to a lovely evening dress. Seriously boys, the flowers, dinner and dance were all very nice, and we want to thank you one and all.

Six days from today, on Thursday, members of the NCO club will elect two new officers to head the organization for the next six months—a period which might be one of the most critical in its history. The men who, by a vote of their fellow members, will direct the destinies of the club will have to be men of vision, understanding and most of all possess a keen business sense.

Why? Well, look around you, you non-coms. Things are rapidly changing on the field. Old men leave and new ones come in to take their place. You've probably never realized it, but the NCO club is a big business venture with a yearly turnover that runs well into six figures. Just by way of comparison, recall the man in your home town who operated a night club or amusement center of approximately the same size and patronage as the NCO club. He was a pretty big man in the community, wasn't he? He was a good businessman and because of his acumen was considered to be "in the chips."

A president or vice-president of the NCO club will have to be a man of the same calibre. The only difference being that his will not be a job for personal gain. The only man who receives remuneration for his services in the NCO club is the secretary-treasurer. The president is responsible for seeing that the desires of all the members are carried out and at the same time assume responsibility for the successful operation of the organization.

Being impartial observers we cannot take a stand for one candidate or another in this election. But we can urge every member who will cast his vote next Thursday to do it wisely. Vote for the best men—men who will benefit the organization by virtue of their background and training. Do not vote against the best men because of a personal grudge and by the same token, do not cast your ballot in favor of men simply because they are "good Joes." Vote wisely and for the men best qualified for the offices of president and vice-president.

Yellowjackets Throw Mighty Scare Into Smyrna

Second In A Series of three pictures introducing teams which will represent Freeman Field on the basketball court this season is presented here. In addition to defending the post title won last season, Section F's Ramblers will compete in the playoffs for the Eastern Flying Training Command colored basketball title as well as appear in a number of exhibition contests with outstanding independent and professional clubs. Left to right, front row, are Pvt. Deighton Allyne, Pfc. Angelo Reason, Pfc. Henry Cole, Cpl. Custis Simms, captain and playing coach, Pvt. James McGee, F/Sgt. Andrew Ellis, Pfc. Melvin Johnson; back row, Cpl. Thomas Taylor, Pfc. Cornelius Frysock, Pfc. Samuel Williams, Lt. Reuben H. Graham, Jr., section adjutant, Pfc. Samuel McElwee, Pvt. George Elliott, Pvt. Leroy Meekins.

Post Enlisted Men Bow 42-38 As Bombers Resort To Football

Freeman's Yellowjackets threw a mighty first half scare into Smyrna's highly-touted Bombers Wednesday night at the Tennessee base before bowing in the last minute of play by a score of 42-38.

Flashing their best form of the season to date, the improved Yellowjackets rolled up 27 points in the first half to 14 for their vaunted opponents, but the advantage slowly disappeared in the final session as the outclassed Bombers turned the contest into a football game.

Tourney To Name Post Cage Champs

The 1945 post basketball title will be decided in a double eliminations playoff among the four top teams of the enlisted men's league, two ground officer fives and teams representing the two flying officer groups, it was announced last week by Capt. C. D. Nichols, post physical training director.

The enlisted men's league, consisting of from 10 to 12 teams, will get under way after January 1. The first four teams at the conclusion of one round will compete in the title playoffs.

Meanwhile, units are urged to organize their teams and schedule practice games with teams from other organizations. The gym is open evenings and may be reserved for one hour sessions by contacting Pvt. Ed. Gittens of the physical training department.

By decision of team managers at a preliminary organization meeting, members of the post officers', Yellow-jackets' and post colored teams may play with their respective organizations.

Members Postpone Play In Officers' Pin League

By popular consensus of team

Quote Smyrna.
The less said about the officiating in that riotous second half, perhaps the better. One Smyrna fan expressed the popular feeling among the Yellowjackets and the Freeman officers who saw the game when he said, "They should have taken time out to explain the game to the referees."

Another Smyrna follower observed, "Trying to beat Smyrna at home is like trying to beat the University of Tennessee at Knoxville—it can't be done," while a third put it this way: "The officiating was prejudiced all right, but . . ."

Bombers Inspired.
The scoreboard showed the Yellowjackets leading by seven points with four minutes of play remaining, but the margin vanished swiftly and completely as the home team, inspired by the repeated breaks in their favor, swept on to victory.

Great in defeat were the Yellowjackets, who have shown new improvement in their last three games. Cecil Davis, rangy forward, topped the scoring with 10 points, eight in the first half, while Charlie Brown had a total of eight for the evening.

Officers Triumph.
Paced by Capt. Olson who collected 14 points, Freeman's Officers notched an easy 34-17 vic-

Officers Wallop Crane Marines, 52-32; Yellowjackets Trounce Navy, 57-42

True to predictions, the Officers and Yellowjackets post basketball teams broke the spell of defeat last Friday night, capturing both ends of a double header here with teams from Crane Naval Depot.

und honors. A consistent point-getter to date, Turner collected eight counters. Bryan tallied eight points for the Marines in the first half but was held to one lone bucket in the final two periods. For the first time since the start of the regular schedule, the Yellowjackets exhibited the form
